

# LEGISLATIVE ALERT

**AFT 420 • COPE | HB • 1552 & SB 869 | Jefferson City, MO**

## A creative and dedicated minority...

On Wednesday 9 February 2022 AFT Local 420 joined the SLPS parent organization for the Parent's Action Committees (P.A.C) Day of Action in Jefferson City, Missouri. P.A.C. and our Local; 420 were joined by four SLPS board members, Toni Cousins, Matt Davis, Donna Jones, and Alisha Sonnier, as well as Jobs for Justice. The goal for the day was to make our presence know and to express our contempt for two bills currently under consideration, HB 1552 in the Missouri House as well a similar bill in the Missouri Senate SB 869.

Our Local joined forces with SLPS board members and parents on the capitol steps where very own Carron Johnson let everyone know "if Missouri wants to fund charter schools, then Missouri should pay for them, don't rob Peter to pay Paul!"

Letting Rep. Aldridge know we are tired of his bad voting record!
